

PREFERRED CUSTOMER PROGRAM

****ENROLLMENT PERIOD IS NOW OPEN FOR FALL****

Maintaining your system by having a Clean & Tune done on an annual basis can help increase efficiency, lower operating costs, and may prevent costly breakdowns. If you have your heating unit Clean & Tune service done prior to the cutoff date, you will automatically become a preferred customer and will be entitled to some great additional benefits as outlined.

To take advantage of this program, schedule the Clean & Tune for your heating unit prior to **October 15th**. Simply call our office and let us know that you would like to become a preferred customer. We will be happy to help you schedule your service and answer any questions you may have about the program. Call and reserve your spot today!
